

Call for Abstracts

CSID Subspecialty Meeting

Once again, the Canadian Society of Investigative Dermatology (CSID) will hold this year's annual meeting during the Canadian Dermatology Association (CDA) Annual Meeting, Winnipeg, Manitoba. The CSID subspecialty meeting will take place at 2:30 to 5:30, PM, Saturday, July 1, 2006.

New for this year, an inaugural Clinical Trials section of the CSID annual meeting will be held during this meeting to promote translational research in dermatology and skin science.

All CDA members, CSID members, and other researchers who conduct clinical and basic science research related to skin health and disease are invited to submit abstracts for consideration for presentation at the meeting. The **deadline for abstract submission is March 15, 2006**. The invitation for presentation will be sent out April 1, 2006. Please refer to the following guidelines for abstract submission:

File Format:

Word file, 250 words or less excluding the title, authors and affiliations

Presentation format:

Oral presentation only

Subject areas:

Please specify:

- (1). Clinical investigation
- (2). Basic science investigation
- (3). Clinical trials

How to submit:

Please submit all abstracts as a Microsoft Word file attachment via email to:

Dr. Youwen Zhou, MD, Ph. D.
President, CSID
Email: ywzhou@interchange.ubc.ca
