New educational resources on Sun Safety for Outdoor Workers

The Canadian Dermatology Association is delighted to advise you of the availability of a variety of new educational resources on sun safety for outdoor workers.

SIMPLY COMPLETE AND SUBMIT THE ORDER FORM ON THE REVERSE SIDE

MANUAL – SUN SAFETY FOR OUTDOOR WORKERS

This 50-page manual was developed for human resources professionals to introduce a complete sun safety program for outdoor workers in their organization. Includes a comprehensive explanation of sun and skin issues; current legislation on sun safety in the workplace; suggested sun safety measures; developing sun safety policy, and Canadian educational materials available. Manual sold as a kit and contains 100 brochures, 3 posters and 1 DVD.

.....
\$69 plus GST (price includes \$24 for postage, shipping and handling)

Special price for not for profit organizations, \$59 plus GST.

POSTER – LET'S WORK AT SUN SAFETY

This mid-sized poster (14.5 inches by 9.5 inches) is suitable for office notice boards or patient rooms. It features workers in various outdoor locations and promotes sun safety through seeking shade, wearing hats, clothing and sunscreen.

.....
\$5 each

BROCHURE – SUN SAFETY FOR OUTDOOR WORKERS

This 3-panel brochure, which will fit into most office brochure racks, explains why outdoor workers have a greater risk of skin cancer and offers simple sun safety steps they can take. It also features common sun safety myths and facts, as well as FAQs on this topic. Bundled in 50's.

.....
50 / \$15 100 / \$24 200 / \$40 300 / \$60 500 / \$88 1000 / \$160

DVD – SUN SAFETY FOR OUTDOOR WORKERS

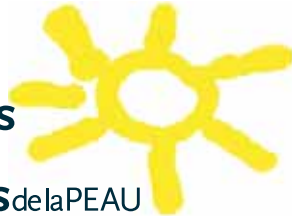

This 10 minute program, aimed at outdoor workers, will help this group learn the facts about skin cancer and find out safe, easy ways to protect themselves. Also features a section on what skin cancers look like.

.....
\$15 each
